CODE OF CONDUCT FOR PARENTS AND CARERS

Birmingham BMX Club is fully committed to safeguarding and protecting the well-being of all its members and all those associated with the club. The club believes that it is important that the members, coaches, committee, administrators, and parents associated with the club should always show respect and understanding for the safety and welfare of others. Therefore, members and their parents and carers are encouraged to be open at all times and to share their concerns or complaints they may have about any aspect of the club, with one of the club's Welfare Officers.

As a parent or carer of a member, it is your responsibility to:

-  Encourage your child to learn the rules of the sport and play within them.
-  Discourage unfair play and arguing with officials
-  Recognise and respect the valuable contribution made by all riders, coaches, officials, ride leaders and volunteers.
-  Help your child to recognise good performance and not just results.
-  Never force your child to take part in sports.
-  Set a good example by recognising fair play and applauding good performances from all.
-  Never punish or belittle a child for losing or making mistakes.
-  Publicly accept an official's judgements
-  Support your child's involvement and help them to enjoy their sport.
-  Always use correct and appropriate language.
-  Encourage and guide all children within your care to accept responsibility for their own performance and behave in a respectable and appropriate manner whilst at the trackside or representing the club.
-  The consumption of drugs and excessive amounts of alcohol is strictly forbidden whilst at the trackside

With your help, we can all make Birmingham BMX Club the best club to be a member of and the best club in our sport
